

Editorial

Withdrawn paper: “Irshad Ali, Nehar Ullah and Sasha Omanovic, Electrochemical Conversion of CO₂ into Aqueous-phase Organic Molecules Employing a Ni-nanoparticle-modified Glassy Carbon Electrode, *Int. J. Electrochem. Sci.*, 9 (2014) 7198-7205.”

4 November 2015

This paper has been withdrawn at the authors' request. Additional experiments have been performed and these experiments indicate that the results presented in the paper were influenced by the presence of impurities in the electrochemical cell, thus questioning the validity of the data presented in the paper.
