

Retraction

**RETRACTED: “Liang Huang, Yan Cao, Feng Jia, Yan Lei,
Micro Array Hole Formation in Glass Using Electrochemical
Discharge Machining [Int. J. Electrochem. Sci., 14 (2019) 9490 -
9503]”**

Published: 29 October 2019

This article has been retracted at the request Editor-in-Chief and authors of following paper (Micro Array Hole Formation in Glass Using Electrochemical Discharge Machining, *Procedia Manufacturing*, Vol. 34, Pages 349-354 (2019)). Main reason for the decision is similarity with previously published paper.
